

HELP CELEBRATE ELKHART'S IRISH HERITAGE
FROM MARCH 1ST - MARCH 28th

Would you like to participate in this promotion? Your place of business or your organization can do whatever specials you would like during the month of March, and we will provide you with the entry blanks, and "Pot of Gold" door card. You can determine what product or service you would like to be in the "**Pot of Gold Basket**". These items should be dropped off at either Horsefeathers or the Country Bumpkin by February 20th if possible.

Then decide what you want your customers to do or spend at your place of business to qualify to enter the drawing. There is no limit to the number of times people can enter as every purchase in the village allows them to fill out another entry form. Save the forms in a large container until 3/27 when they will all be mixed. On the 28th the lucky name will be drawn. The "**Pot of Gold Basket**" will travel from merchant to merchant during the month of March so more people will be made aware of our celebration. Our mayor, Lyle Fout, will draw the lucky name on Saturday, March 28th at noon at the Village Hall. Each shop is encouraged to be creative in promoting additional sales within this time period, and if you let us know, we will be glad to promote all that is going on in the village.
